

WEBINAR SERIES

# Chief of Staff Virtual Academy

Chiefs of staff play a key role in organizations, and they are even more critical in times of change and crisis.

This three-part virtual academy will offer practical advice and useful tools to help you lead your organization through the current crisis and the changes that will inevitably follow.

**Bridging the Organization: Part 1** will equip Chiefs to bridge communication gaps by creating effective channels and forums that ensure that their organization has the right operating rhythm.

**Thursday, May 7 at 11:30 AM EDT**

**Optimizing Decisions: Part 2** will enable Chiefs to increase the speed and quality of decisions within their organization by prioritizing clearly, defining decision space, and mitigating biases.

**Thursday, May 14 at 11:30 AM EDT**

**Becoming a Thought Partner: Part 3** will empower Chiefs to support their senior leaders as a thought partner by challenging assumptions in a productive way while fostering innovation and creativity throughout their organization.

**Thursday, May 21 at 11:30 AM EDT**
